

*Traditional, fusion, or combination, our wedding menus are custom designed for brides and grooms and our process is very detailed.*

*We first meet with the couple and/or family and go through their theme and requirements. Tabla accommodates all budgets and pricing. We serve from Idlis to Parisbrest; Hyderabadi Biryani to Cacik; Tempuras to Paḳoras; our selection is vast and unique. We also have a specialized dessert selection including Shahi Kulfi, Falooda, Shahi Tukḳa, Toffee Pudding, Hibiscus Jelly, Ebony and Ivory Mousse, Chocolate Samosa and many more.*

*Tabla's mission is to make your dreams come to life and make your joyous moment more memorable and taste filled. We strive to achieve four major milestones:
